Dear Mr Phua Chai Dow -- in Viet,

For over 27 years, DP Information Group has produced the SINGAPORE 1000 rankings. Alongside the Singapore SME 1000 and Singapore International 100, the corporations featured on this list are the crème de la crème of top performing organisations in Singapore.

In anticipation of our unveiling of the 2015 rankings in January, it is our great pleasure to extend our congratulations to **BMS ENGINEERING SOLUTIONS & TECHNOLOGIES PTE. LTD.** for surfacing as one of the top establishments in the **28th Annual Singapore 1000 & Singapore SME 1000 incorporating the Singapore International 100 Rankings.**

In qualifying, you are the top one per cent of Singapore's most influential corporations and SMEs. This ranking is based upon a definitive and extensive process which reviews over 70,000 audited financials annually. The prestige of your organisation's achievement is a hallmark of your outstanding success, echoing your leadership, performance and distinction.

This 2015 awards ceremony will be the first of corporate awards to be presented at Singapore's celebration of its golden jubilee – its 50th year of nation building. In line with Singapore 50 (SG50), the Singapore 1000 Gala dinner hopes to kick off the celebrations in the upcoming New Year, with the Singapore 1000 community coming together as businessmen and people to celebrate our shared enduring values that built up Singapore's Economy.

We hope to have the pleasure of your company at our gala dinner and awards ceremony at The Grand Ballroom, The Ritz-Carlton, Millenia Singapore on **Friday, 30 January 2015, 5.30pm**. The awards celebrate Singapore's outstanding enterprises – organisations which are a true testament to our nation's most valuable and enduring corporations and SMEs.

This event is an exclusive networking opportunity to share elements of your success with business leaders from diverse sectors including key policy-makers from government agencies, trade associations and foreign diplomats.

Congratulations once again and we look forward to the pleasure of welcoming you in person at the awards dinner.

Your personal Singapore 1000 evangelist is

Singapore's Most Valuable Corporations & SMEs Ranked by Financial Performance

We'd like to think of ourselves as the purveyor of fine companies in Singapore. This annual listing is the one which corporations and SMEs aspire to be on. No nominations, no paid participation. Just good old-fashioned healthy competition.

The SINGAPORE 1000 Family of Rankings comprise of the SINGAPORE 1000, SINGAPORE SME 1000, SINGAPORE INTERNATIONAL 100 and FASTEST GROWING 50 listings. They represent the economy's most valuable corporations, small and medium enterprises, internationalising companies and top growth companies by financial performance.

Rationale & Relevance

The artistry is in the performance. We believe that strategy, sustainability, leadership, implementation, courage and conviction (and all good things) contribute towards the each company's success.

Our approach is simple - it must be quantifiable. And so, the SINGAPORE 1000 Family of Rankings is the complementary ranking to all other awards.

A listing on the Singapore 1000 is the passport stamp of excellence, a timeless ranking which recognises outstanding performance by the companies listed.

Methodology

Every company is considered. We leave no stone unturned in this annual exercise. So long as you have filed your financials and they are made available through Singapore's Accounting and Corporate Regulatory Authority (ACRA), or if you have submitted your audited financials directly to us for the purpose of the rankings, we will include you in the consideration process.
